

§ 376.26

(c) There must be a written agreement between the authorized carriers or between the private carrier and authorized carrier, as the case may be, concerning the equipment as follows:

(1) It must be signed by the parties or their authorized representatives.

(2) It must provide that control and responsibility for the operation of the equipment shall be that of the lessee from the time possession is taken by the lessee and the receipt required under § 376.11(b) is given to the lessor until:

(i) Possession of the equipment is returned to the lessor and the receipt required under § 376.11(b) is received by the authorized carrier; or

(ii) In the event that the agreement is between authorized carriers, possession of the equipment is returned to the lessor or given to another authorized carrier in an interchange of equipment.

(3) A copy of the agreement must be carried in the equipment while it is in the possession of the lessee.

(4) Nothing in this section shall prohibit the use, by authorized carriers, private carriers, and all other entities conducting lease operations pursuant to this section, of a master lease if a copy of that master lease is carried in the equipment while it is in the possession of the lessee, and if the master lease complies with the provisions of this section and receipts are exchanged in accordance with § 376.11(b), and if records of the equipment are prepared and maintained in accordance with § 376.11(d).

(d) Authorized and private carriers under common ownership and control may lease equipment to each other under this section without complying with the requirements of paragraph (a) of this section pertaining to identification of equipment, and the requirements of paragraphs (c)(2) and (c)(4) of this section pertaining to equipment receipts. The leasing of equipment between such carriers will be subject to all other requirements of this section.

Subpart D—Interchange Regulations

§ 376.31 Interchange of equipment.

Authorized common carriers may interchange equipment under the following conditions:

(a) *Interchange agreement.* There shall be a written contract, lease, or other arrangement providing for the interchange and specifically describing the equipment to be interchanged. This written agreement shall set forth the specific points of interchange, how the equipment is to be used, and the compensation for such use. The interchange agreement shall be signed by the parties or by their authorized representatives.

(b) *Operating authority.* The carriers participating in the interchange shall be registered with the Secretary to provide the transportation of the commodities at the point where the physical exchange occurs.

(c) *Through bills of lading.* The traffic transported in interchange service must move on through bills of lading issued by the originating carrier. The rates charged and the revenues collected must be accounted for in the same manner as if there had been no interchange. Charges for the use of the interchanged equipment shall be kept separate from divisions of the joint rates or the proportions of such rates accruing to the carriers by the application of local or proportional rates.

(d) *Identification of equipment.* The authorized common carrier receiving the equipment shall identify equipment operated by it in interchange service as follows:

(1) The authorized common carrier shall identify power units in accordance with the FMCSA's requirements in 49 CFR part 390 of this chapter (Identification of Vehicles). Before giving up
